P+P Gotcha Kit (200m) #90293/200

Front Image

P+P Product Code

90293/200

Description

The P+P "Gotcha" Rescue Kit will enable the rescuer to attach to a casualty who is suspended by a fall arrest lanyard then raise the casualty in order to release their current attachment before raising or lowering to a point of safety. All of the above is achieved without the need for the rescuer to access the casualty directly, they only need to be able to access the attachment point. Supplied with 3.5m 'Capture Pole'.

Material Specification

11mm kernmantle rope

Attachment Points

Steel kwiklok karabiners and round anchorage sling

Size / Length

200m rope, giving a maximum effective working length of 66m

Standards

N/A
